Dear Ms. Christie,

Allow me on behalf of the Public Service Alliance of Canada (PSAC), and its newest members at Queen's University to thank you for your message of congratulations and for your support during our organizing drive.

The new PSAC local at Queen's University will work hard to advance the common interests of all employees on campus. We will also work with our allies on strengthening our post-secondary education system in Ontario and across the country.

As we get ready to negotiate our first collective agreement, we may call upon you again to continue to play a positive and constructive role in helping us to secure a fair and equitable contract. Rest assured, however, that in the spirit of union solidarity we will be there to play our role in support of QUFA members in their own efforts to make Queen's University a better place to work, teach and learn.

We too look forward to strengthening our relationship and working together on common issues.

In solidarity,

Gerry Halabecki
Regional Executive Vice President, Ontario
