March 29, 2010

Dear TFA Organizers,

On behalf of PSAC local 610, representing approximately 1900 teaching assistants at *The University of Western Ontario*, we would like to take this opportunity to congratulate you on your recent successful certification vote.

We know that this was a hard won fight for you; the culmination of several past attempts, and we applaud your diligence and tenacity in fighting for the basic right to have your voice considered at the bargaining table.

We wish you continued success as you negotiate your first collective agreement.

In Solidarity,  
The Executive of local 610
